EXPERIENCE

2022 - Now

Software Developer

AGRICULTURE INSURANCE COMPANY OF INDIA LIMITED / India, New Delhi

As a Software Developer at AGRICULTURE INSURANCE COMPANY OF INDIA LIMITED during period (September 2022 - Present), I was responsible for developing and maintaining frontend applications to support the company's operations. During my time at the company, I gained valuable experience in HTML, CSS, Javascript, Django.

- Collaborated with cross-functional teams to design and implement software solutions.
- Conducted thorough testing and debugging of software applications.
- Developed new features and enhancements for existing software products.

2022 - 2022

Developer Intern

Ganit Inc. / India, Chennai

During my time as a Developer Intern at Ganit Inc. during period (June 2022 - August 2022), I was able to gain valuable hands-on experience in React js and project management. Working alongside a team of experienced developers, I had the opportunity to contribute to various projects and learn from their expertise. Through this internship, I was able to enhance my technical skills, problem-solving abilities, and communication skills.

PERSONAL PROJECTS

Portfolio Website, Keeper App, Food Order App, Simon Game, Todo List App
.[using ReactJS, JavaScript, HTML, CSS, and Bootstrap.]
